Nihilism or "Me Ne Frego"

We set the stage, a hardwood floor with moving boxes and a couch ready to be moved. Two movers stand looking at the couch pensively rubbing their chin

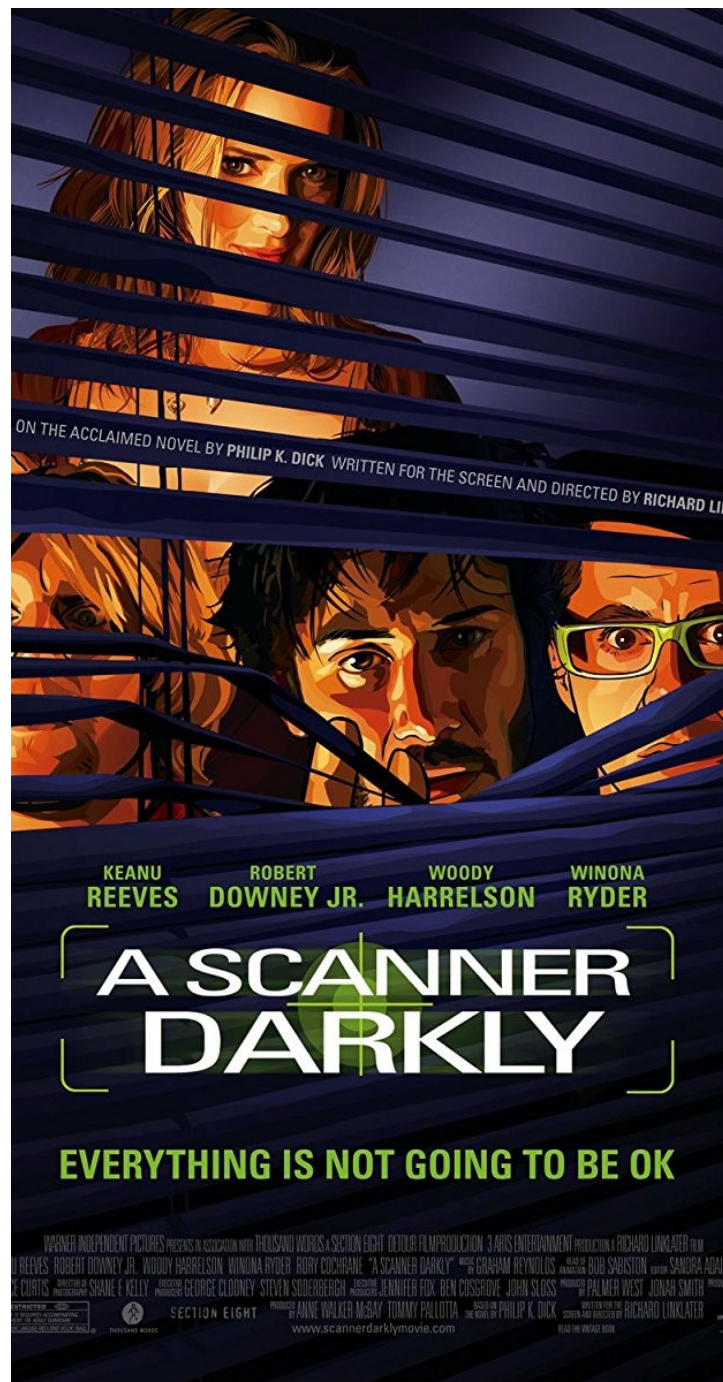

Oh you probably don't remember the first time we met.

WHAT EXACTLY DO YOU THINK THEY CALLED ME THUNDER CHILD FOR?

It was because I screamed the entire time they had me the first time, the skin walkers dragged me by my feet into the night and I couldn't stop screaming.

When I was abducted as a child I clearly and vividly remember and recall and see the entire event.

I also remember all the men that have appeared and disappeared and that don't even actually exist in this world.

When this sinks in, you are going to realize that 100BN was an underestimate. Its more like 100Q now.
