5. Ariana was talking about God's wife which no graven image exists thereof because she is too great for mankind to set eyes upon. Not to mention that God The Father Almighty is a Jealous God.
6. A.) If you can find out what was said to Serapis by the Priests of the temple, than you can be of great importance.
7. B.) If you can find out why God said that cults were no go and why the cults continued even after God said no go, than you can be of great importance.
8. C.) If you can link all of the goings on in the MSM and the Political Sphere including NXIVM + how Hollywood producers force celebrities into situations so they have blackmail material on them. You can be of Great Importance.
9. D.) If you are serious about what you say and do not further your agenda of "Become friendly" then "say what he wants to hear" then "gain his trust to squish him" than I can say that you will finish well.
10. Otherwise, if this is just another one of your ticks that you use during this time to try to pass ascension, but ultimately you end up choosing the wrong side because of their cunning words, than I can't help you at all.
11. No you're actually not able or capable because you have the false dichotomy.
12. You are right. We can't do anything with the knowledge and there is no power to be gained.
13. This also has relationship to the timeline of the Masada Massacres and Herod the 1st, to whom Ezekiel gave explicit prophecies many years earlier. Herod was responsible for the construction of the Temple Mount and the Second (Herod) Temple in Jerusalem.
14. The 'Curse of Yahweh' is related to Ezekiel and to the sextant matrix that was used to shorten the human life span and kill the body. Bones were collected upon the death of the body to create a more sinister way to trap the human consciousness. Thus, trapping the Consciousness through the dead body's bones that are buried down here in the earth. This has happened to Ezekiel and he is held in place through his religious prophecy which is an alien construct in the earth. This is very important in the timeline of body elemental corruption. The Sextant Matrix is equal to degrading the elementals and to the corruption coded into the Mitochondria and DNA as Miasma's.
15. And so to answer your question of how this all fits together.
16. Both of these cults have tried over the centuries to take the place of God the Father Almighty in the progression of the Ascendants throughout time.
17. To climb the ladder of Jacob is to ascend the spokes of the Ezekiel wheel. Where several have tried before none have been capable of doing fully. To live with knowing is to have died trying.
18. Apparently Ezekiel, had another birth name and was the Master teacher to Pythagoras. As The Sacred Decad architecture is being revealed through the Ophiuchus transmission, the being known as Ezekiel has required assistance to help him be freed from enslavement bonds. His original teachings have been vastly distorted for nefarious purposes.
19. Ezekiel cannot go anywhere until this field is cleaned up in relationship to collective masculine consciousness, especially that which is connected to the Hibiru lines. Recently, it has been magnified that the bones and graves of prominent people like Ezekiel had been robbed by the NAA. They use the Morphogenetic Fields of certain key figures that they have picked for Religious heroes or other roles that further the Yahweh-Jehovian False Father God Religions on the earth. In these cases, people have been mummified or buried in the earth when they should have been fully cremated.
20. This is an ancient war. One that goes all they way back to the ancient times when Cain was the majority of the earth, before the great flood. This war goes back even further than the splitting of the continents, back to when the world was one super continent called Lemuria. The war was started because of the two groups of ruling Elites, Zos Kia and Menelaus whom both had different names under the original practice but after the deluge, both were reformed.
21. I know because before I came to the conclusion that this would be so, I myself had been attacked by those same groups of people whom over the countless timelines, know that what I have is an oversoul.

The T1 was given to me and I never took any of the Adrenochrome, I never stole any either however, the task of these groups of Communist is to aim high and shoot whatever they can to make it try to stick. (Image) related to the previous attacks, in 1999, in 2013, and in this recent post.

32. Rock/Dick I need you to explain this project superman and bluebeam deal. How do you know its going to happen these next 6 days? Do you know who is affected? Give me everything you've got
33. I'll tell you what happens when you do storm Area 51.
34. You guys get there with 100 anons and you can't manage to rally up the whole thousands of people that you need to get in to the base. However simplistic this sounds, its not an educated guess.
35. This is a script moment for this timeline. What does that mean? That means that I've seen you storm Area 51 before and a hand full of anons managed to make it all the way in the base only to find that it is empty.
36. Save your self the trouble and the embarrassment and storm something other than Area 51. Mark this thread for return upon your dumb ass doing the Area 51 raid without listening to me. Come back later with a "Fuck he was right."
37. If they come with the forced hurricane weather mod bullshit again. I'll show you what violence is.
38. You put that hurricane bullshit weather mod on US again and I'll reverse time for only you.
39. I don't approve of what you are doing with the weather mods. I ripped up your hurricanes before and I will do it again. This time however, I will force you to be caught in the vortex swirl that you created. Florida Man bans Weathermods and braces for hurricane season 2019.
40. Look at what I am capable of.
41. I split this hurricane in two.
42. How is it when your superiors order a post to be made on another anon's behalf that it is okay?

58. Dream Doxxing done at night with Blue Beam
59. It looks like lightning flashes but there is no sound when you see these flashes. You won't see the source of the flash because it is high altitude (same location in the sky where the chemtrails are drawn) plus the crafts that are being used to conduct this operation with are cloaked with special tiles so that you can't see them.
60. The devices being used to inject you with dreams are known as Milorbs. These Milorbs are DOD/DARPA creations that are using your home WiFi in combination with your smartphone/ipad/computer via the bluetooth + smartdust rfid.

67. I went through all the tests. I even cataloged, journaled, and summarized them all. Even on here. I wrote 3 books about the tests I went through. Now I teach others how to not be mind controlled by the reptillian's weapon.

84. Singing because you can make me think about smoking? Start again? You're threatening me with a reset? We can do this infinitely but this time when you push the reset, you're going to get the NESARA virus I planted, and I'll get all the money and you will not have any.
85. The true perspective comes at last when you realize that I am OP and I started this thread to purge the internet of the likes of you. Hackers using the internet and the AI for their own trying to figure out who OP is so they can further doxx them. SHAME ON YOU.
86. That shit right there will get this website shut down for good.
87. Comeon fatboy bring it on. Lets see what you are made of. Lets see if you can violate a intergalactic treaty willingly and if your superiors will survive the aftermath of that poor decisions you make.
88. She's a Ho. She looks like someone in this thread. She use to be 3 separate people. Then her mind thought it was good to pick a fight with God and he put her back together as 3 cursed individuals.

104. I am so far out of line that the Elites tried to present me with a line of my own self in line at a rally event and I broke time because I kept meeting other versions of myself and telling them how to skip track time with Quantum Jumping. So Fuck off.
105. What is a tulpa? Why is theumaturgy bad too?
106. A tulpa is an entity created in the mind, acting independently of, and parallel to your own consciousness. They are able to think, and have their own free will, emotions, and memories. In short, a tulpa is like a sentient person living in your head, separate from you. It's currently unproven whether or not tulpas are truly sentient, but in this community, we treat them as such. It takes time for a tulpa to develop a convincing and complex personality; as they grow older, your attention and their life experiences will shape them into a person with their own hopes, dreams and beliefs.
107. Thaumaturgy is the capability of a magician or a saint to work magic or miracles. Isaac Bonewits defined thaumaturgy as "the use of magic for non-religious purposes; the art and science of 'wonder-working;' using magic to actually change things in the physical world".
108. I found out that John Smelley and Sony Online Entertainment were the first benchmark for the game terrorist enterprise.
109. I did that in over a hundred games. Once you get past the point of realizing the seeds and the AI tutors, it is pretty easy to figure out the endgame results. Time online is measured in submerged thought which is the equivalent of doing 50 mental push-ups per minute.
110. Yeah well. STOP BLAMING OTHERS FOR YOUR SADNESS.
