By: [>>22912178](#) [>>22912179](#) Hello guys, im the genius that created the nobody character, ask me anything

The main problem..

I'm banned

Error: You are banned.

banned for what?

Post image

Google caught attempting to use Algos to rig the 2020 election

<http://archive.4plebs.org/x/thread/22901644/#22901644>

For this sparkling gem right here.

**You are banned! ;\_;**

You have been banned from /x/ for posting [>>22901644](#), a violation of **Rule 1**:

**Off-topic; all images and discussion should pertain creepy and paranormal topics.**

Your ban was filed on **June 24th, 2019** and expires on **June 27th, 2019 at 22:25 ET**, which is one day and 19 hours from now.

According to our server, your IP is: 8.8.8.8      The name you were posting with was **Google Assassination Expert**.

Because of the short length of your ban, you may not appeal it. Please check back when your ban has expired.
